### PEAVINE

Luther Patton of Watson, visited Lizzie Barnett Sunday.

Seward Stevens took dinner with Morris Burnett Sunday. It seems nice to have him able to visit his chums once more.

Mrs. John Hall is on the sick list this week.

Mr. and Mrs. Arthur Nealon and Mr. and Mrs. Chas. Hall, of Rockwood, spent Sunday afternoon with Miss Kate Patton.

S. A. Patton spent Sunday at the home of John Hall.

Mrs. Flora Stevens and Mrs. A. L. Potter attended the funeral services at Shilo Sunday.

Frank Perkins preached an interesting sermon Saturday night and Sunday at Forest Hill.

We learn our school opens Monday September 4, with Jackson Turner as teacher.

Lennis Hall, of Rockwood, has been visiting her parents, Mr. and Mrs. J. D. Burnett for the past two weeks. She will return home in a few days.

A revival meeting will begin here the first Sunday in September. Everybody come out and help us with the good work.  
 August 28. Violet.

### POMONA

Mr. and Mrs. J. E. Converse entertained the members of the Epworth League Tuesday evening, Aug. 22, in a most delightful way. The young people manifested much interest in the League, and the Sunday evening meetings are a source of much pleasure as well as benefit to those attending.

Miss Flora Bristow, of Crossville, was the guest last week of Mrs. Lester Dayton.

Miss Anna Roberts is attending school at Baxter.

J. E. Converse left last week for a few days stay in Columbia.

Mrs. Floyd Derrick and children, of Waldensia, are the guests of relatives here.

The Sunday School picnic given by the M. E. Church, South, at the Caney Fork, Saturday, brought out only a small crowd on account of the unfavorable weather conditions.

Miss Gladys Hill and brother, Howard Hill, entertained a number of their friends with a party Saturday evening, August 19. A most enjoyable time was had by all present.

Mrs. J. N. Needham has been quite ill for a few days.

Mr. and Mrs. Charlie Spencer, and Mr. and Mrs. Frank Graham motored over from Creston Sunday to see Mrs. Needham.

Mr. and Mrs. Reneau, of Jefferson county have come to Pomona to make their home. Mrs. Reneau is the daughter of Mr. and Mrs. Neal, who moved here in the spring.

Mr. and Mrs. William Mooney and son, Mrs. Jamison, and Henry Mooney, motored over from Knoxville Saturday for a visit at the Converse home.

H. B. Lindsley, of Rockwood, and son, Robert Lindsley, of Boston, Mass., are the guests of Mr. and Mrs. A. W. Benedict.

Mr. and Mrs. Douglas Martin and little son, Lloyd, of Seattle, Washington, are the guests of Mr. and Mrs. Harry Martin and family.  
 August 28. O. B. D.

### GRASSY COVE

Rev. Marshal filled his regular appointment here Sunday morning and evening.

Miss Mattie Anderson was the guest of Miss Gladys Davenport Sunday.

Mrs. Floyd Bristow continues very sick at the home of her parents, Mr. and Mrs. Sam Knox.

W. B. Andrews was in Crab Orchard Saturday.

J. D. Brady and wife were in Crossville Monday.

Richard Ford, who has been in the hospital at Rockwood for some time is able to be at home again.

W. B. Andrews is in Sequatchie valley doing some work for E. G. Wilson on his house this week.

A. C. Kemmer was in Crab Orchard Saturday on business.

Charles Kemmer attended court at Crossville part of last week.  
 August 28. Coveite.

### HEBBERTSBURG

R. R. Smith filled his regular appointment at Pine Grove Sunday.

F. L. Hamby and son, Andrew were in Crab Orchard Saturday on business. Ira Carter moved his family from here to Waldensia Saturday.

T. E. Wilson, of Crossville, was here weighing sheep Monday.

E. J. Davis and son, Walter, were in Rockwood Saturday.

## WASTE ON THE FARM MAY BE GREATLY REDUCED

That Would Put Considerable More On Right Side of Ledger Many Times.

Go through a well regulated manufacturing plant and see how it is systematized, how all waste is eliminated, how labor is so distributed that it is 100 percent efficient every moment it is employed: how all lost motion is eliminated, how every part of the raw material is utilized. Then you can understand how the finished product is produced at such low cost.

Go through one of the great packing plants, where live stock is slaughtered, and you can understand how everything about the pig, except the squeal is turned into profit, and how the packing houses pay big dividends by utilizing what is let go to waste on the farm when the farmer butchers his meat.

If the waste and loss on the farms could be turned into profit, the balance would be found on the right side of the ledger. Many farmers do not realize they are wasting or losing on their production. They have continued to do things as their fathers did before them, when there was no competition and none but local markets for their products. It is hard for them to realize their wasteful practices until they have observed the methods employed in large and well regulated production enterprises.

Farmers do not appreciate the fact that they are just as much manufacturers as are the concerns that turn out automobiles, tractors and other kinds of farm machinery, or that the same system can be applied to their work with profit.

We unconsciously waste time, waste feed, let crops go to waste, but we are most wasteful in our marketing methods. We waste the fertility of our soils. We waste in the care of our live stock, and waste in production by neglecting crops at the time they most need attention. We have not given the attention to the details of our work which should mean so much in the final profits. I am a farmer and have been all my life, and realize that I am chargeable, in varying degrees, with the things I have enumerated. I am trying to correct the mistakes I have made, and I am bringing them to the attention of my fellow farmers, so that we may be able to avoid in the future a repetition of the mistakes of the past.

What with low prices for our products and with high taxes and high living costs, we farmers are having hard sledding to get by. It is our duty to ourselves and our families to remove as many of our handicaps as we possibly can. I am trying to point out the things we can do that will help us. Doing them will make more endurable the things that we cannot control or eliminate from among our handicaps.

We can cut our waste of time, waste of our crops, waste in the neglect of live stock and in feeding, waste in the neglect of our farm machinery. We can improve our marketing methods by co-operative effort. When we do all these things that it is possible for us to do, we will be more firmly on our feet and better able to tackle the problems that now seem impossible of solution.

There is one thing certain—we will be far better off than those who idle away their time bemoaning their fate and doing nothing to make conditions better. I am firmly convinced that when we do all that we can do, we can insure the most dependable prosperity for ourselves on the farm, and in that way help in the prosperity of the whole country—Capt. T. F. Peck.

### THOMAS SPRINGS

We are having plenty of rain in this section.

Mr. and Mrs. Sam Walker have returned home after spending a few days with her sister, Mrs. John Walker, at Clifty.

Several people from here went to the State Farm Sunday. All reported a nice time.

Mrs. Posy Wilson and Mrs. Jim Dodson made a business trip to Clifty last week.

Mr. and Mrs. Erastus Bolin are the happy parents of a baby girl.

Rev. Ulysses Lewis was the guest of Sarah Bell Vanwinkle Sunday.

The four year old son of Mr. and Mrs. Lee Buckner, who has been very ill with typhoid, is much improved at this writing.

Mr. Benedict, of Granny Town, was over yesterday.

August 24. M. W.

home Mayland going as far as W. P. Henry's to pass the night and then home Monday.

Mable, the little eight-year-old daughter of Mr. and Mrs. W. J. Truener died Saturday night after an illness of one month with typhoid. She was laid to rest in the Shilo cemetery Sunday evening to await the resurrection morning. The funeral was conducted by Rev. B. S. Oakes. The bereaved parents, brothers and sisters have the heartfelt sympathy of the entire community.

Aug. 26. May Bee.
